

CASS OPO

CASS Output for billing period 1st to 31st March 2026

Important Notice 1: Please check on the Final/Correction Billing even if there is no Correction in the Correction Period, as it contains the Final Amount to be remitted for a given Billing Period. Please refer to the CASSLink Calendar available on the Customer Portal for details of when the Final billing will be available.

Important Notice 2: The Additional Adjustments and Charges (BTA, i.e. IATA charges) are not captured in XLS. Please refer to PDF Cargo Sales report and its Payment Summary for its details. When there is no sale record, the XLS report will not be generated.

The IATA bank account information can be located through the IATA Portal by users with CASSlink access, as per the following steps:

1. Log in to the IATA Portal www.iata.org/cs
2. Click on the Calendar Widget on the home page
3. At the bottom of the calendar layout, click on "Check account"
4. IATA bank account information will be displayed on the screen
